Oh I want my world to be safe in your heart so you can live by my will
 There is a choice to make that is your own No one decides for you
 You got to choose my way if you want to live to-gether with the father above
 He gave his life for all so you can live

C 2/4 gm7 cll F F I

I give you strength and power to take this message out to that dying child
 Speak my loving words and acts make them to believe I want them to see the light
